"When I started coming to one·n·ten 2 years ago, I was homeless and living on the streets. The POND program gave me housing, somewhere to eat and shower. Now I'm in school and starting my dream career soon. I'm now proud of going to group therapy and finding healing, taking meds regularly, and staying committed in school. I'm on the LGBTQ Phoenix Police Department Advisory Board & am soon going on my first ride along. I am going to meet my biological family this year!."
