Phoenix, Arizona

We have audited the accompanying financial statements of one n ten (a nonprofit organization), which comprise the statement of financial position as of December 31, 2014, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

one n ten (Organization) was incorporated in 1993 as a non-profit 501(c)(3) community-based agency dedicated to serving and assisting gay, lesbian, bisexual, transgender, and questioning youth in the metropolitan Phoenix area. The Organization's mission is "to serve LGBTQ youth and young adults; enhancing their lives by providing empowering social and service programs that promote self-expression, self-acceptance, leadership development and healthy life choices." The Organization provides services ranging from providing weekly discussion groups designed to cover a wide range of social, educational, health, and community issues to offering social networking opportunities appropriate for developing leadership skills. The services are delivered in a variety of formats. one n ten derives program funding from both private donations and contracts and fees.

The financial statements of one n ten have been prepared on the accrual basis of accounting. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

Financial Statement Presentation

Net assets and revenues, gains, and losses are classified based on state and donor imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Unrestricted – Net assets that are not subject to donor-imposed stipulations.

Temporarily Restricted – Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Organization and/or the passage of time.

Permanently Restricted – Net assets subject to donor-imposed stipulations that they be maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income earned on related investments for general or specific purposes.

Grants from governmental agencies which are restricted are reflected as unrestricted revenue since these funds are received and spent during the same year as permitted by accounting standards related to Accounting for Contributions Received and Contributions Made.

As of December 31, 2014, the Organization only had unrestricted and temporarily restricted net assets.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Restricted Support

Support is recognized when received. Support that is restricted by the donor/grantor is reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the support is recognized. All other donor restricted support is reported as increases in temporarily restricted net assets. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets. Support that is permanently restricted by the donor/grantor is reported as increases in permanently restricted net assets.

Cash

The Organization considers all cash and other highly liquid investments available for current use with an initial maturity of three months or less to be cash and cash equivalents. Cash and cash equivalents did not exceed the Federal Deposit Insurance Corporation (FDIC) insurance limit.

Accounts Receivable and Pledges Receivable

The Organization uses the allowance method to account for uncollectible accounts receivable. The allowance is sufficient to cover both current and anticipated future losses. Uncollectible amounts are charged against the allowance account. Management estimated an allowance of \$-0- based upon the Organization's experience.

Property and Equipment

Property and equipment with a cost greater than \$1,000 are capitalized at historical cost, or estimated historical cost if actual historical cost is not available. Assets donated to the Organization are recorded at their estimated fair value at the time received. Depreciation on property and equipment is computed using the straight-line method over the term of the lease.

Deferred Rent

The Organization accounts for rent expense evenly over the term of the lease using the straight-line method. Unamortized deferred rent as of December 31, 2014, was \$14,928.

Functional Allocation of Expenses

Salaries and related expenses are allocated based on job descriptions and the best estimates of management. Expenses, other than salaries and related expenses which are not directly identifiable by program or supporting service, are allocated based on the best estimates of management.
